MERCER UNIVERSITY.

MERCER UNIVERSITY was incorporated in 1837, and organized the following year in Penfield, Greene County, Georgia. This locality being remote and inconvenient of access, the Institution was removed to Macon in 1871. The University occupies

A Suburban position, immediately adjacent to Tatnall Square,

About one mile and a quarter west of the Court-house. The STREET RAILROAD terminates just in front of the main building, rendering it convenient of access from the city. The situation is beautiful, commanding and salubrious.

The Central Edifice is one of the most elegant and commodious College buildings in the South.

With solidity and beauty, it combines the advantages of convenient arrangement and judicious adaptation. The design of the University contemplates the erection of two other structures uniform in architectural style with the present imposing edifice. A large building

DESIGNED AS A DORMITORY AND REFECTORY FOR STUDENTS,

Is situated near the Campus. Here young men may lodge and board at the low rate of \$12.00 per month.

The University comprises three Departments, viz.: the College proper, the Theological School, and the Law School. It has large Libraries, extensive Apparatus and Cabinets, and all the facilities for dispensing with liberal hand the higher education. The average number of students since its removal to Macon has been one hundred and forty-five—all pursuing the Collegiate and Professional Courses.

The Faculties consist of the following gentlemen:

MOUNT de SALES' ACADEMY,

MACON, GEORGIA.

This Institution, under the direction of the Sisters of Mercy, is now open for the reception of pupils. The Academy is a branch of St. Joseph's, Columbus, Georgia, whose reputation for educational advantages is unsurpassed throughout the State. MOUNT de SALES' is delightfully situated on an eminence, commanding an extensive view of the city, and only twenty minutes' ride from Pio Nono College, so that parents placing their daughters at the Mount, and having sons at the College, will have the advantage of visiting both without additional traveling expenses. The street cars pass in immediate vicinity. Northern parents, desiring to send their children South for the benefit of health, may rest assured that the utmost care will be bestowed upon them by the Sisters themselves. The spacious recreation grounds and salubrious air afford facilities for healthful amusements at all seasons. The Course of Instruction embraces all the studies that constitute a thorough and accomplished education, hallowed by religion. FUN! FACT! FANCY!

BOTH PRESS AND PUBLIC UNITE IN PRONOUNCING

BRIDGES SMITH'S PAPER

It is the most brilliant, spicy, wide-awake journal ever published in the South, and deserves a liberal support. If you want something to make you "laugh and grow fat," send one dollar to Bridges Smith, and receive his excellent paper for one year.—*Washington Gazette.*

It is handsomely gotten up, and contains much interesting matter. The humorous feature is the most prominent one, and we have read it and laughed, read it again and laughed more, and the more we read it the more we laughed. It is a good paper, and merits a liberal patronage.—*Cherokee Georgian.*

TO BE THE FUNNIEST AND MOST ENTERTAINING PAPER IN THE SOUTH.

BRIMFULL OF WIT, HUMOR & PATHOS!

It is published every Sunday, at MACON and ATLANTA, and is an

INDEPENDENT, FREE-THINKING JOURNAL,

Having its own say-so about matters and things, and having in view the grand object of throwing sunshine on life, and driving away the blues.

OPTICIAN.

Peschke Ernest, 24 Second.

GREATLY RELIEVED BY ONE PACKAGE.--After four years' suffering, I found your invaluable remedy, and am happy to say it has almost cured me.

If you feel dull, drowsy, debilitated, have frequent headache, mouth tastes badly, poor appetite and tongue coated, you are suffering from torpid liver, or "biliousness," and nothing will cure you so speedily and permanently as to take

Simmons' Liver Regulator.

Ask the recovered Dyspeptics, Billious sufferers, victims of Fever and Ague, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite—they will tell you by taking SIMMONS' LIVER REGULATOR.

BAD BREATH.

Nothing is so unpleasant, nothing is so common, as Bad Breath; and in nearly every case it comes from the stomach, and can be so easily corrected, if you will

TAKE SIMMONS' LIVER REGULATOR.

Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion, and general health.

JUST TRY IT ONCE.

COLIC IN CHILDREN.

For children complaining of colic, headache, or sick stomach, a teaspoonful or more will give relief. Children, as well as adults, eat sometimes too much supper, or eat something which does not digest well, producing sour stomach, heartburn, or restlessness; a good dose of Liver Regulator will give relief. This applies to persons of all ages.

PILES.

How many suffer torture day after day, making life a burden and robbing existence of all pleasure, owing to the secret suffering from Piles. Yet relief is ready to the hand of almost any one who will use systematically Simmons' Liver Regulator, the remedy that has cured thousands. No drastic, violent purge, but a gentle assistant to nature.

CONSTIPATION

Should not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a costive habit of body prevails.

A GENTLE REMEDY.--Simmons' Liver Regulator performs its work by invigorating the organs, and thus expelling the disease.

CONSTIPATION.

Unfailing Remedy for Sick Headache.

I have used Dr. Simmons' Liver Regulator in my family for dyspepsia and sick headache, and regard it an invaluable remedy in these attacks. It has not failed to give relief in any instance.—Rev. W. F. Esterling, P. E. Tallahassee District, Florida Conference.

CHILLS AND FEVER.

YOU are at liberty to use my name in praise of your Regulator as prepared by you and recommend it to every one as the best preventive for Fever and Ague in the world. I plant in Southwestern Georgia, near Albany, and must say that it has done more good on my plantation among my negroes than any medicine I ever used; it supersedes quinine if taken in time.

HON. B. H. HILL, of Georgia.

Take Simmons' Liver Regulator

For all Diseases of the Liver, Stomach and Spleen. The Cheapest, Purest and Best Family Medicine in the World.

THIS unrivalled Southern Remedy is warranted not to contain a single particle of MERCURY or any injurious mineral substance, but is

PURELY VEGETABLE,

CONTAINING those Southern Roots and Herbs, which an All-wise Providence has placed in those countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

ALWAYS KEEP IT ON HAND.

I HAVE used Dr. Simmons' Liver Regulator myself and in my family for years, and pronounce it one of the most satisfactory medicines that can be used. Nothing would induce me to be without it, and I recommend all my friends, if they want to secure health, to keep it always on hand.—R. L. Mott, Columbus, Georgia, Congressman.

CAUTION!

THE NEW LINE
TO AND FROM
FLORIDA.

THE
CUMBERLAND ROUTE

AND THE

MACON & BRUNSWICK RAIL ROAD,

Is now ready for business, with its new schedules, improved equipments and quick time, via BRUNSWICK, GA., and FERNANDINA, FLA.

The following are the present Palace Sleeping Car accommodations:

Between Brunswick and Boston, with but one change, and at Danville, Va.; between Brunswick and Louisville, Ky., with no change; between Brunswick and St. Louis, only one change; and at Atlanta, Ga., where changes occur, it is about midday, and either in Union Depot or across a simple platform.

An elegant low-pressure Side-wheel Saloon Steamer makes the transfer between Brunswick, Ga., and Fernandina, Fla.

Passage strictly inland, and along the beautiful and attractive Sea Islands of Georgia and Florida. The run is in daylight, and between three and four hours in time. Meals on the steamer are unsurpassed.

THE CUMBERLAND ROUTE
IS A PERMANENT NEW LINE.

From Fernandina to Jacksonville, Fla., there is a Through Independent Train, without change.

FARES AS LOW AS BY ANY OTHER ROUTE.

This Line connects with St. Louis, Chicago, Cincinnati, Louisville, Cleveland, Milwaukee, St. Paul, and all points West and North-west, via Nashville, Chattanooga, Atlanta and Macon; and to all points East and North, via Piedmont Air-Line, Virginia, Midland, Kennesaw Route, Atlantic Coast Line and the Midland Route.

QUICK TIME! GOOD ROAD! SURE CONNECTIONS!

Through Tickets on Sale at all Principal Points.

Baggage Checked Through, or Re-checked without disturbance to the Passenger.

As between the common points, Jesup, Ga., and Jacksonville, Fla., it is 58 MILES SHORTER than any other route; and as between the common points, Nashville, Tenn., and Jacksonville, Fla., it is 46 MILES SHORTER than any other route.

Patrons of the MACON & BRUNSWICK RAIL ROAD who may prefer an All Rail Connection from and to Florida, have the opportunity of the same, via Jesup and Live Oak, as heretofore.
